

Arizona Society of CPAs FOUNDATION FOR EDUCATION AND INNOVATION

\$2,000 Private University Scholarships

Deadline: February 3, 2023

About the Organization

The Arizona CPA Foundation for Education and Innovation influences the choices of high potential students to enter the accounting profession in Arizona. It supports efforts of the Arizona Society of CPAs to attract and prepare individuals with the highest potential for contribution to the accounting profession in Arizona through initiatives in formal education.

About the Scholarships

Monetary scholarships will be awarded to accounting students at private universities in Arizona for the 2023-2024 school year. The Arizona CPA Foundation Scholarship cannot be paid directly to the recipient. It will be paid to the university in which the recipient is to attend (checks are mailed in July).

Scholarship Requirements

- Designate your major in accounting.
- Legal U.S. and Arizona resident
- Full-time student (a minimum of 24 credits per year) at an Arizona private university with a graduation date no earlier than February 2024. If you are graduating with a bachelor's degree prior to February 2024, you are eligible for a scholarship if you will immediately enroll in a master's program with a graduation date after February 2024.
- Earned at least 12 university credits at time of application
- Completed at least one accounting course at a college or university
- GPA of 3.2 or better
- Complete and submit a scholarship application, required supporting materials and documentation by the specified deadline

Selection Criteria

The organization selects scholarship recipients on the basis of the following criteria:

- Academic achievement as documented through the applicant's grade point average and success in accounting or accounting-related courses
- Likelihood of the student becoming a CPA and remaining in Arizona
- Community involvement and leadership potential as demonstrated by the student's personal statement and letter of recommendation

Supporting Documentation

- College or university transcripts for all schools attended
- Resume, which includes work experience and information such as extra-curricular activities, public service activities, awards, and honors.
- To help the committee better distinguish you from the other applicants, write a one-page essay about your future career interests and professional goals. (Include your short-term and long-term goals and why you should be selected to receive this scholarship)
- Letter of recommendation from an instructor or employer attesting to your desire to become a CPA
