

Dear

I'm requesting your approval to renew my membership with the Arizona Society of CPAs. As you may know, the ASCPA is the leading association for CPA professionals in Arizona and a devoted advocate for the CPA profession in state legislation and with the Arizona State Board of Accountancy.

Through my ASCPA membership I can maximize my potential as a leader, have access to educational resources and stay connected to the Arizona CPA community. The ASCPA continues to be a leading force in CPA education via webinars, professional conferences and countless online resources.

An individual membership fee costs and grants me immediate access to the following:

- 25% savings on most CPE seminars and webcasts
- A minimum of 8 free one-hour CPE webinars
- Exclusive access to the ASCPA Connect site, a members-only forum. This resource will allow me to access individuals with experience and expertise to answer any of my questions.
- Opportunities to volunteer, build relationships, receive recognition and enhance my leadership skills
- Access to sign up for the ASCPA Find a CPA online directory at www.ascpa.com/my_account/join_cpa_referral
- Access to ASCPA preferred providers and exclusive member savings
- Six issues of AZ CPA magazine both online and in print, as well as the most updated news on the profession

I genuinely believe that this membership would be a wise investment for our organization and would positively impact our processes and my own professional development. I look forward to hearing from you soon to discuss.

Sincerely,
